Introduction

Computer Science and Engineering graduate with strong programming fundamentals in Java, C, Python, and SQL. Experienced in UI/UX design using Figma and Adobe Photoshop, with hands-on exposure to data analysis and web development. .

Education

ICET, Btech in Computer Science and Engineering	2021-2025
RMHSS, Biomaths	2019-2021

Experience

System Engineer Trainee , Infosys - Mysore	2025
• Joined Infosys as a System Engineer trainee in September 2025, completed training in Core Java and SQL, and developed problem-solving and coding skills.	
YIP Intern , KSUM - Kochi	2024
• During my internship with the Kerala Government's Young Innovators Program (YIP) from June to August 2023 and February to March 2024, I led innovation workshops that enhanced participant engagement and submission quality while also advancing my own innovation idea to the next development stage.	
Web Designer , Keltron - Aluva	2023
• worked on structuring content with HTML, styling layouts and elements with CSS, and adding interactivity through JavaScript.	

Projects

AI DRIVEN MOCK INTERVIEW PLATFORM

- Technologies Used: React JS, Node JS, Machine Learning
- Developed a platform featuring a 3D human model that interacts with users via voice and includes machine learning-based facial emotion and confidence analysis to provide performance feedback.

EVENT LISTING WEBSITE

- Technologies Used: React.js, Node.js, and firebase to streamline event management
- Enabling users to add upcoming events with details like title, date, time, venue, description, and images

Skills, Certifications, and Achievements

Technical Skills: Java, C, Python, SQL, Web Design (HTML, CSS, Responsive Web Design), UI/UX Design (Figma, Adobe Photoshop), Data Analysis (Power BI, Python)

Leadership and Communication: IEEE ICET SB: Chairperson, Tinkerhub:Campus Lead, IEDC: Branding and Marketing Head, GDC: Marketing Head , CODEC: Technical Head

language: English, Malayalam

Certificate: Genomics Training Program, Kerala Government ; Responsive Web Design, freeCodeCamp.org

Achievements:First Prize – InnovateFest Project Expo
